

RESPAWN

Date:

Overview

The most awaited gaming battle of the year is back. Here with the most popular games in the world today. Get ready for the fiercest battles because only the best will survive. Respawn is an e-sports event specially conducted for enthusiastic gamers. The games included are COD, and VALORANT split across different gaming platforms like Mobile Gaming, PC Gaming, and respectively. Any gamer with no age barrier can participate in this event. Gaming is becoming a career path today and certainly, the players who play these so-called videogames are turning their heads to make it as a career option:

VALORANT:

- There will be knockout matches by dividing the overall teams into groups.
- Every team should compulsorily have 5 players each.
- Players caught hacking/ using plugins will be permanently banned.
- One match will last for a maximum of 40 minutes.
- Each match consists of 24 rounds (12 as attacking and 12 as defending)
- The first team to win 13 rounds wins the match and gets qualified for the next round.
- Joining info will be conveyed to the players via WhatsApp group.
- Other minute details will be handled by our partner for RESPAWN.

CHESS:

- It will be conducted on chess.com
- Event is divided into 3 exciting rounds, each one potentially being a knockout round.
- Players will face off against each other
- In round 1 the player with the most wins and streaks will qualify for the next round
- In round 2 the best players from round 1 will face each other and the player with the most checkmates will advance to the final round,
- Winner of round 2 will get 1 point, and in case of a draw $\frac{1}{2}$ point will be awarded to both players.
- In the final round, the finalists will face off against each other and the winner will be declared from among the two on the basis of judging criteria.
- In case of any dispute, the decision from the administrator will be considered final
- Use of any unfair means is prohibited.
- Winner will be awarded with an amazing prize along with the certificate.

COD:

- COD will be played only on a mobile. Use of emulators and sports gear will not be allowed.
- The map for matches will be battle royal Miramar.
- Players will be allotted points on the basis of the position they secure and the kills they take.
- Further proceedings to be decided by the conducting Party.
